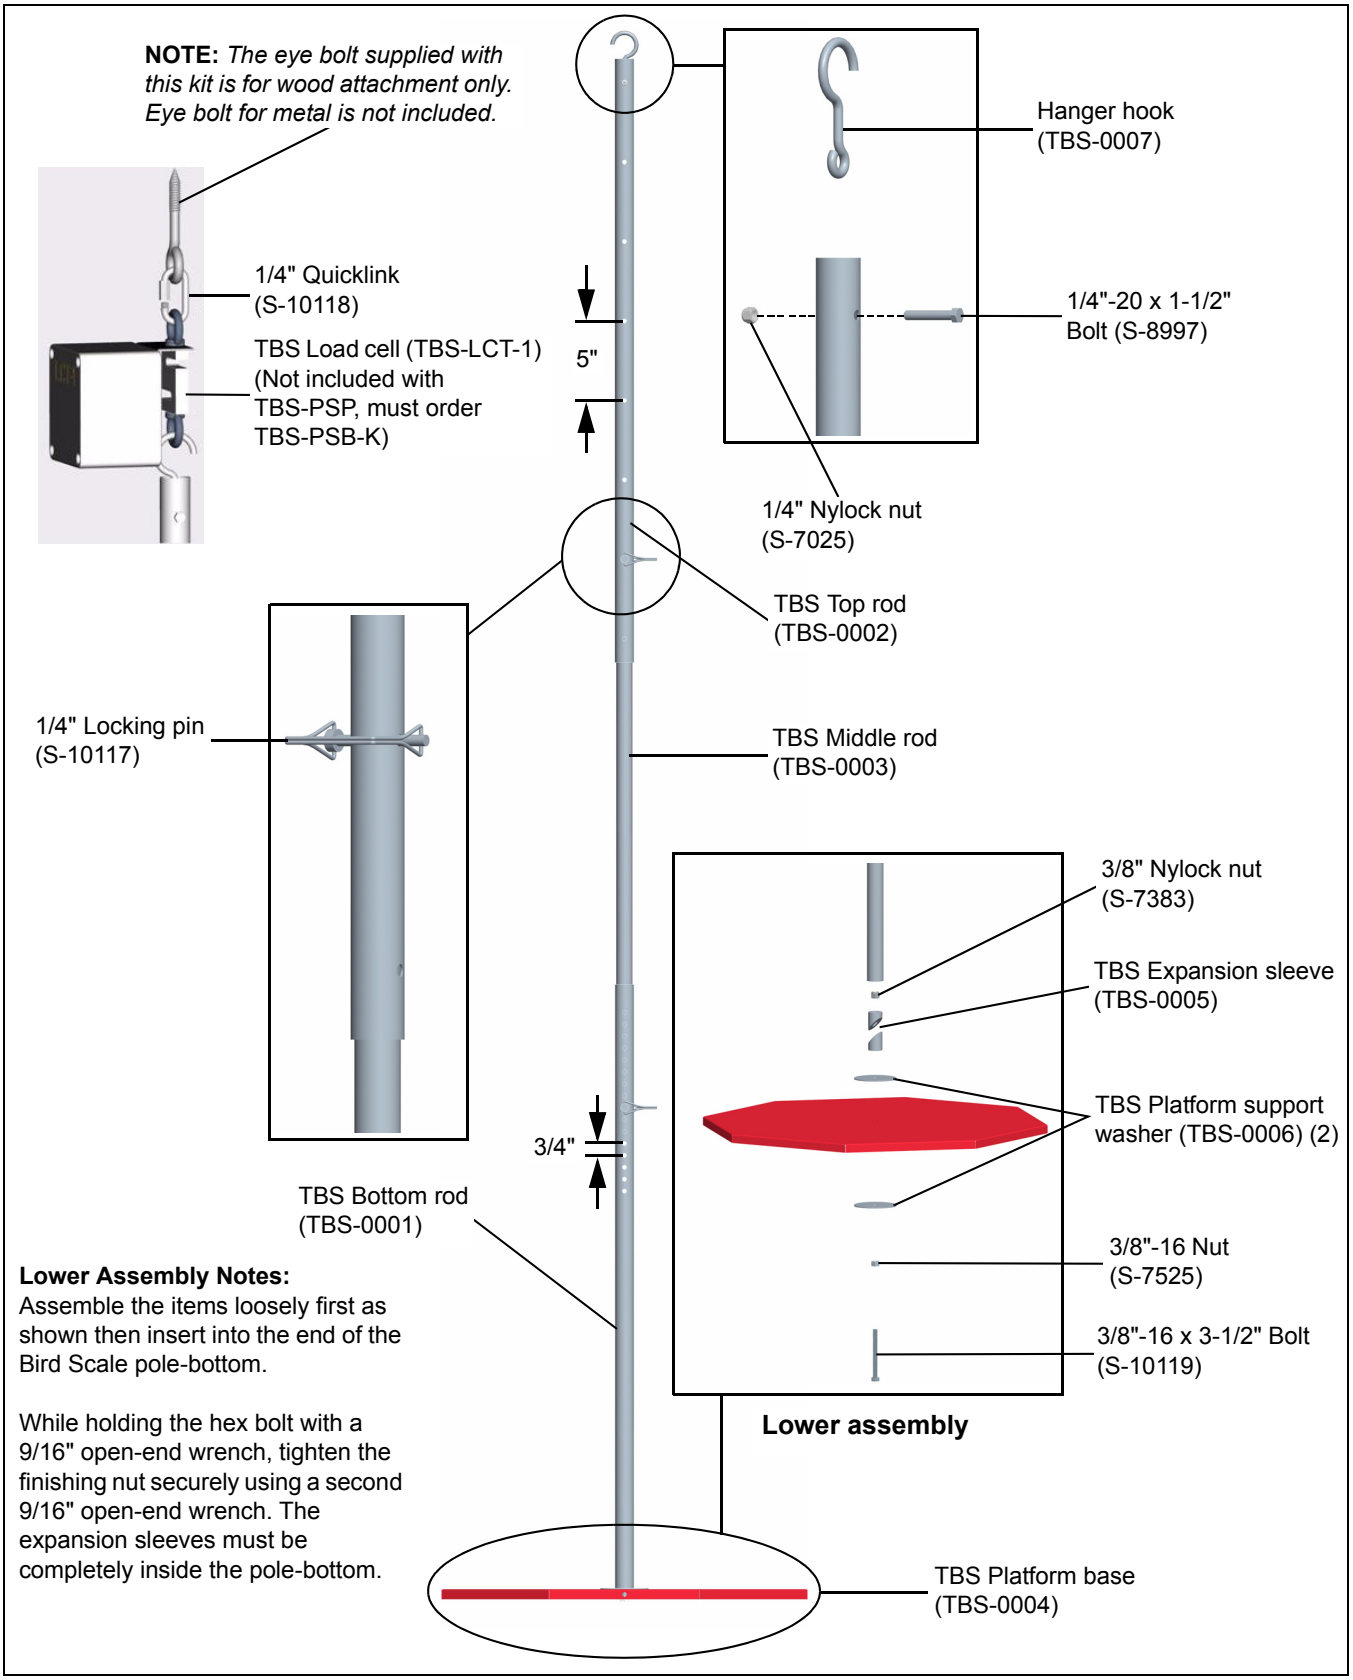
1004 East Illinois Street • Assumption, IL 62510 • 1-217-226-4421

Instructions

Bird Scale Platform and Load Cell Assembly



Lower Assembly Notes:
Assemble the items loosely first as shown then insert into the end of the Bird Scale pole-bottom.

While holding the hex bolt with a 9/16" open-end wrench, tighten the finishing nut securely using a second 9/16" open-end wrench. The expansion sleeves must be completely inside the pole-bottom.
